

Waterboro Community Garden Committee Meeting Minutes  
1/4/2016

Present: Amy and Tony Lucarelli, Jon Gale, Nancy Brandt, Donna Berardi, Oksana Sigleski.

Planning: Debby Downs has workshops lined up for March thru June. Will be held the first Saturday of each month 10-12.

Seed grant: Now in second round, will know sometime in March from Kitchen Gardener International. Second grant with the Cooperative Extension with grants up to \$500.00, applications have been sent to Hancock County Extension to choose grant recipients. Also should hear back in late March, and will be for the pantry bed. Grant included compost, drip irrigation etc.

Plant Sale: Someone will have to chair as Donna will be stepping back. Another question is if the committee will have seedlings for sale. Amy suggested having someone do the ads, plant digs but still need someone to chair. Also need to pick the date and where the sale would take place. Taylor House or Town Office. Tony mentioned that any plants that did not sell was easy to heel in the garden without transporting with sale being held at Town Office. Donna suggested may need to go back to the first weekend in June for the sale. Memorial weekend everyone is busy. Also suggested having a planning meeting. Amy offered the use of the seedling stand for Ossipee Meadows to use for sale. All present agreed to have a planting and plant sale workshop. Times to be 6:30-7:00pm Plant Sale and 7:00 -7:30pm Plantings.

Cold frame: Approved to purchase the supplies needed to build a cold frame in the garden.

Adjournment was at 7:29 pm.

Respectfully submitted,  
Nancy Brandt, Secretary
